

RECOMMENDATION

Dear Each One who will read this!

As being the teacher to Magda Stan-Sokolowska, and as well having the big benefit of Magda S-S being my guest-teacher I can warmly recommend Magda!

Magda has been my Guest Teacher now a number of times. This work is a Leaderships Work with people in personal development.

Magda has a bright, clear intellect, can work fast when needed, in combination with good intuition, warmth and caring about people.

Magda is present and compassionate, and at the same time finds god levels of responsibility for herself and for others. She creates very suitable spaces, where people can safely develop.

Magda is serious, humoristic, wise, flowing – has a beautiful capacity to stand with both feet steady on earth and do what is needed.

Magda is honest and clear, can set proper limits.

Magda co-operates with intelligence, heart and flexibility. She gives very good quality in every kind of situation.

As a student, as a friend, as a leader, as a teacher....MAGDA IS VERY APPRICIATED!

So! Once more; I warmly and from my heart recommend MAGDA!
